Why You Can Trust Us:

- ✓ Founder-led communication
- ✓ Carefully selected manufacturing network
- ✓ In-house design support
- ✓ Quality-focused approach
- ✓ Transparent updates through a single point of contact
- ✓ AEPC Member
- ✓ GST Registered Export Business

HOW WE MANAGE YOUR ORDER

**FROM INQUIRY TO SHIPMENT
WE MANAGE EVERY STEP**

A structured sourcing process minimizes delays, reduces quality risks, and keeps your project on schedule.

Step 1 – Requirement Discussion

Step 2 – Product Development & Sampling

Step 3 – Production Management

Step 4 – Quality Inspection

Step 5 – Packaging & Export Documentation

Step 6 – Shipment Coordination

**From product development to shipment,
we manage every stage of your sourcing journey.**

WHY PARTNER WITH SARVANTA GLOBAL?

Carefully Vetted Manufacturing Network

We work with trusted manufacturing partners selected for their production capabilities, quality standards, and delivery performance.

End-to-End Order Management

From supplier selection and sampling to production, quality inspections, documentation, and shipment, we manage every stage of your order.

Quality-Focused Approach

Production is monitored throughout the process, with inspections conducted before shipment to help ensure consistency and compliance.

Transparent Communication

Regular production updates and prompt responses keep you informed throughout your sourcing journey.

Built for Long-Term Partnerships

Our focus is not just completing one order, but becoming a reliable sourcing partner that supports your business as it grows.
